

FROM THE BOTTOM OF OUR HEARTS...

Dear participant,

A heartfelt thank you for being part of Aalborg Tango Festival. Your presence, energy and enthusiasm helped turn the festival into something truly memorable. It was a joy to share music, dancing and beautiful moments with all of you. Thank you for making the festival come alive - we already look forward to seeing you again.

While the Music Is Still Dancing Through Us ...

We are slowly beginning to land after the festival — tidying up, returning borrowed treasures, thanking our wonderful sponsors and taking care of the very last practical details. But before we completely close this chapter, we have one heartfelt wish left. While the music, the dancing and all the little moments are still fresh in your memory, we would love to hear from you.

What made you smile?
What worked especially well?
Which moments stayed with you?
And perhaps just as importantly - where do you think we could do even better, if we decide to create another festival in the future?

Festivals are created together with the people who fill them with life, warmth and energy - and your thoughts and experiences truly matter to us.

We would truly love to hear your thoughts - please feel free to share them with us at festival@tangoaalborg.dk

Thank you once again for being part of Aalborg Tango Festival.
It would not have been the same without you.
